24-Hour Customer Service

866-312-7236

To answer your questions and ensure your prescription drug plan runs smoothly, the Express Scripts customer service center is always open -- 24-hours-a-day, seven days a week. A toll free number will be provided on your Express Scripts prescription plan ID card and in your new member packet. Look for additional information to come.

Prescription Services On-Line

Express Scripts offers members a Web site available via the Internet. Once your eligibility is established with the Express Scripts plan, you will be able to view personalized claim and copay information as well as savings opportunities. If you have a computer at home, you are welcome to log on and view the information available to you; www.express-scripts.com

This website allows you to:

- Locate pharmacies in your neighborhood or vacation destination,
- Review your claims profile,
- Look up drugs by name and read about them,
- Read about drug-to-drug interactions,
- Order refills for the Home Delivery Program and check the status of your order,
- Send email questions to a pharmacist on-line,
- Use Price Check to view an estimate of your copayment
