² Emergency and Urgently Needed Services are Medically Necessary behavioral health services required outside the Service Area to prevent serious deterioration of a Member's health resulting from an unforeseen illness or injury manifesting itself by acute symptoms of sufficient severity, including severe pain, and may result in immediate harm to self or others; placing one's health in serious jeopardy; serious impairment of one's functioning; or serious dysfunction of any bodily organ or part, therefore such treatment cannot be delayed until the Member returns to the Service Area. Please refer to the Supplement to the Combined Evidence of Coverage and Disclosure Form for detailed information on this benefit.

³ Severe Mental Illness (SMI) diagnoses include: Anorexia Nervosa; Bipolar Disorder; Bulimia Nervosa; Major Depressive Disorders; Obsessive-Compulsive Disorder; Panic Disorder; Pervasive Developmental Disorder, including Autistic Disorder, Rett's Disorder, Childhood Disintegrative Disorder, Asperger's Disorder and Pervasive Developmental Disorder not otherwise specified, including Atypical Autism; Schizoaffective Disorder; Schizophrenia. Serious Emotional Disturbance (SED) of a Child Under Age 18 includes a condition identified as a Mental Disorder in the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders (DSM), other than a primary substance-related and addictive disorder or developmental disorder that result in behavior inappropriate to the child's age according to expected developmental norms if the child also meets at least one of the following three criteria:

- As a result of the Mental Disorder, (1) the child has substantial impairment in at least two of the following areas: self-care, school functioning, family relationships, or ability to function in the community; and (2) either:
 - (i) the child is at risk of removal from home or has already been removed from the home; or
 - (ii) the Mental Disorder and impairments have been present for more than six months or are likely to continue for more than one year without treatment; or
- The child displays psychotic features or risk of suicide or violence due to a Mental Disorder; or
- The child meets special education eligibility requirements under Chapter 26.5 (commencing with Section 7570) of Division 7 of Title 1 of the California Government Code.
